

where fun and water meet—
in 1966

AMERICA'S FINEST ALUMINUM AND FIBERGLAS BOATS
FOR NEARLY A QUARTER OF A CENTURY

Luxury Interior Appointments... Stylish and Practical

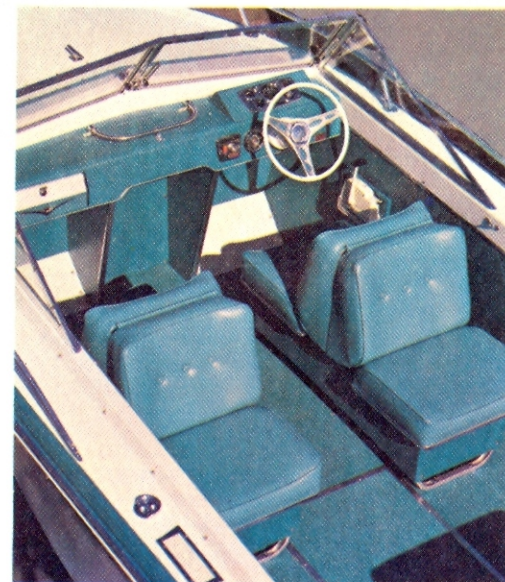

BUCKET-TYPE SLEEPER SEATS reflect sports car styling. Enclosed fuel tank compartment, forward storage shelf, foot-rest, two-tone Vinyl covered floor and matching upholstered side liners with ski storage typify luxury Alpex and Aluma Craft interior appointments. Ice chest and beverage tray console with arm rest and snack table adds to the fun. Illustrated: Sea Aira.

COLORFUL SNACK TABLE matches the upholstery styling of the Bel Mara. Just lift it out in a jiffy and you are all set for a picnic afloat. Illustrated: Bel Mara.

TOP AND SIDE CURTAINS FOLD AFT on most Aluma Craft/Alpex models. The top is out of the way and neatly stowed in special boot when not in use. Illustrated: Bel Mara.

BEAUTIFUL INTERIORS ARE THE TRADEMARK of Aluma Craft/Alpex boats. Flat vinyl carpeted floor with foot-rests, center handhold rail, modern design instrument cluster, quality heavy duty windshield, bucket sleeper seats... these are just a few of the quality features you can expect in an Aluma Craft/Alpex boat. Illustrated: Ambassador 2000.

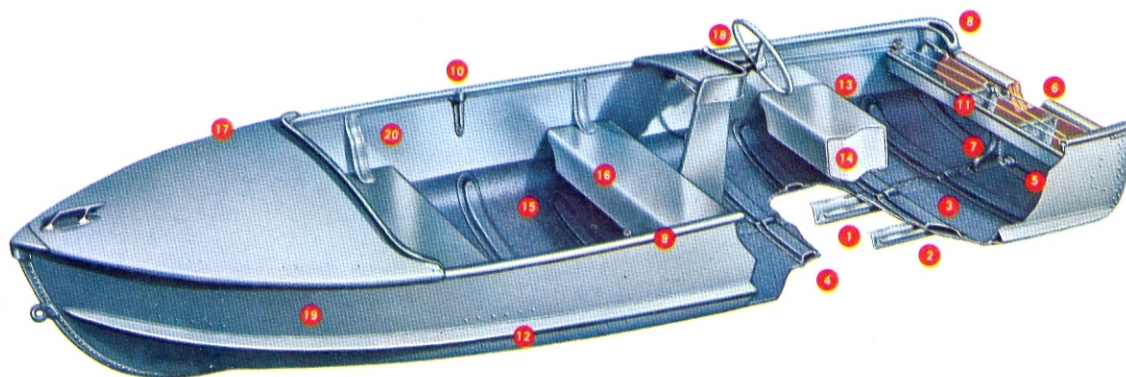

SNUG AND WEATHERTIGHT tops and side curtains have a streamlined smooth silhouette. Long-wearing vinyl tops are highest quality, can be raised or lowered easily and conveniently. Illustrated: Ambassador 2000.

Quality Construction Assures Extra Value for You

- 1 One-piece keel and stem, preformed to hull contours.

- 17 Optional forward deck.
- 18 Optional steering and walk-through deck.
- 19 Nonglare satin finish.
- 20 Oar stowage brackets.

ALUMA CRAFT ALUMINUM BOATS

*Features that Set Quality Standards
for the Boating Industry.*

PRE-FORMED SINGLE SEAM HULLS... For greater overall strength Aluma Craft hulls are stretch formed, identical to the method used in the manufacture of airplanes. Two lateral sections are joined and sealed; scientifically placed rivets lock both sections securely together. One piece keel and stem offers extra protection.

FULL LENGTH SPRAY RAILS... reinforce sides of hull, provide extra planing surface, deflect spray downward to keep inside of boat dry... give more speed, perfect water control.

BAKED ON FINISHES... all Aluma Craft finishes are baked-on marine finishes, keep boat looking bright and new.

ALL PARTS PRE-FORMED... eliminate strain on the entire boat.

HEAT-TREATED ALUMINUM... for extra strength without weight.

CORROSION-RESISTANT ALLOYS... special corrosion-resistant, performance-proved aluminum alloys for long life and minimum maintenance in salt and fresh water.

HEAVY DUTY CANOE STEMS... thick and strong... no need for keel shoe... protect keel and hull from wear on rocks and sand.

CUSTOM-DESIGNED CASTINGS at bow and stern... interlocked with gunnels for top rigidity and strength... double as carrying handles.

SELF DRAINING RIBS... separately formed for exact fit, add to over-all strength of boat. Special design provides drainage full length of hull to transom drain plug.

TRANSOM DRAIN PLUG... easy to drain boat, even while underway.

BUILT-IN OAR STORAGE... standard on all Aluma Craft fishing boats.

ALPEX FIBERGLAS BOATS

Rugged Beauty in Fiberglas

Alpex boats reflect the uncompromising quality made possible only through the most advanced materials and production techniques. Designed for maximum performance, they provide the utmost in comfort and convenience combined with top performance and minimum maintenance over a long period. Check these features...

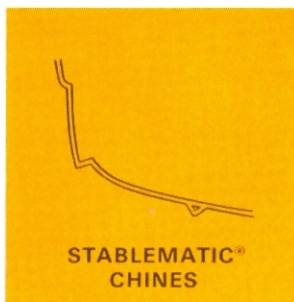

SUPER STRENGTH BOTTOMS: Designed with exclusive Alpex laminated fiberglas construction. Hull is permanently bonded, with heavy duty multi-truss supports, over foam fill for more strength.

SUPER STRENGTH BOTTOMS

ALPEX DECKS

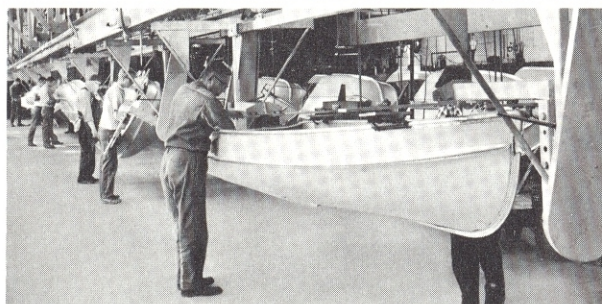

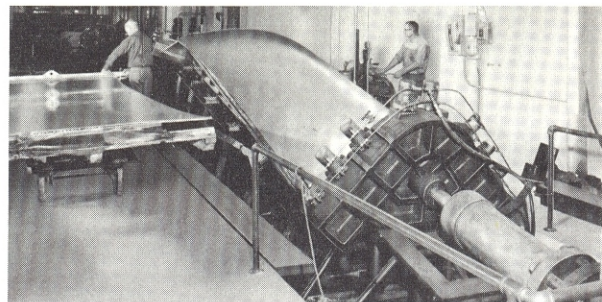

**STABLEMATIC®
CHINES**

ALPEX DECKS: Unitized design with fiberglas over a strong interlocking framework; extra flotation for safety.

STABLEMATIC® CHINES: To give you perfect water control... soft, smooth, dry rides, even on fast turns.

MAXIMUM STORAGE: Alpex Boats feature smartly designed storage, for skis, clothing, fishing tackle... all the gear needed for a fun trip.

BUCKET SEATS: Standard on all Alpex runabouts.

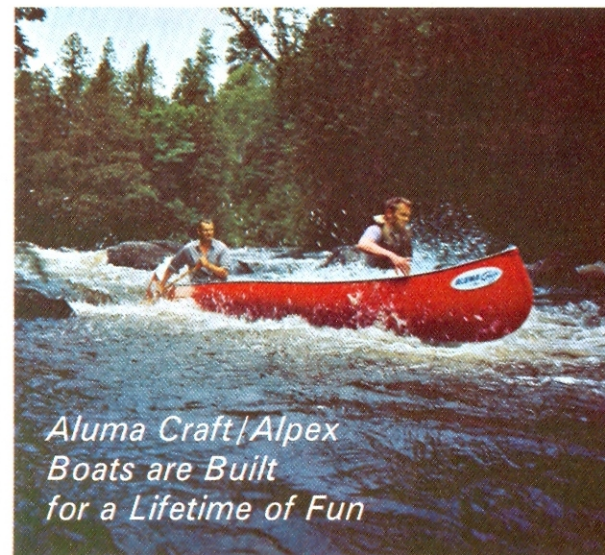

Modern Advanced Production Techniques Assure Top Quality, Greatest Value

Aluma Craft pioneered the manufacture of aluminum boats and canoes. Over the years Aluma Craft naval architects, designers and engineers have continually refined and improved production technology through a continuing research program. Giant presses stretch-form hulls with the smooth perfection that means built-in, lifelong strength and performance. Absolute precision in every step of manufacturing must meet the strictest of quality control standards.

Select Inboard/Outboard Power Units from 60 HP to 150 HP for Aluma Craft and Alpex Inboard/Outboard models.

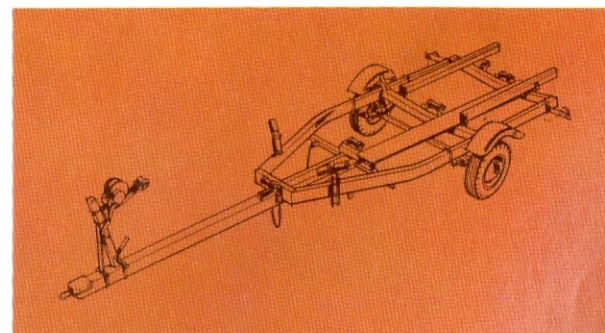

*Aluma Craft/Alpex
Boats are Built
for a Lifetime of Fun*

Here comes an Aluma Craft Canoe—through white water and rapids. When the going is rough you can put your faith in the product that bears the name Aluma Craft or Alpex.

C-16 CANOE

QUETICO 17

C-16 Canoe

Plenty of speed and maximum stability. Carrying yoke as a center thwart standard. Foam flotation. The C-16 has proved to be a consistent winner in many canoe derbies.

OPTIONAL EQUIPMENT: Sailing rig—Carrying yoke pads—Motor bracket.

Quetico 17

The new canoe for wilderness adventure . . . 17 feet—only 69 lbs. Smooth on the water . . . light on the portage—no exposed rivets—built-in carrying yoke, pads. Foam flotation. Heavy duty stem won't wear through; for white water service, racing speed.

OPTIONAL EQUIPMENT: Sailing rig—Motor bracket—Indian trim.

CO-17 Canoe

Rugged! Stable! Wish-bone transom handles motors to 3.9 HP; paddles easily as a double-end canoe. A real all-purpose beauty. Foam flotation. Carrying yoke standard.

OPTIONAL EQUIPMENT: Sailing rig—Carrying yoke pads.

All Aluma Craft canoes are built of heat treated aluminum . . . have long lasting heavy duty stems for long service and come in natural satin finish. Optional baked on finishes . . . deep scarlet, wilderness green, autumn yellow and camouflage (dead grass) . . . Indian trim as shown on Quetico is optional on all canoes.

CO-17 CANOE

C-15 CANOE

C-15 Canoe

A solid, rugged 15-foot canoe of heat-treated aluminum and weighing only 67 lbs. Carrying yoke thwart standard. Foam flotation. It's extra steady, with more than a 37 inch beam . . . excellent for youngsters, camps, and resorts.

OPTIONAL EQUIPMENT: Sailing rig—Carrying yoke pads — Motor bracket.

CO-15 Canoe

Wishbone transom takes motors to 3.9 HP. Performs like a dream under tough conditions. An extra feature is a carrying yoke thwart, included as standard equipment. Foam flotation.

OPTIONAL EQUIPMENT: Sailing rig—Carrying yoke pads.

C-17 Canoe

The combination of 17' length and full bodied design makes this the most stable canoe on the market. Carrying yoke thwart standard. Foam flotation. It has as much cargo space as most 18-foot canoes.

OPTIONAL EQUIPMENT: Sailing rig—Carrying yoke pads — Motor bracket.

CO-15 CANOE

C-17 CANOE

Johnboats

12 and 14 foot models, all new and raring to go for fishing and hunting. Square bow means easy beaching. Stable flat bottom design draws minimum water for maximum maneuverability in shallows. Exclusive Aluma Craft quality is found in the extra strong transom with transom knee, round extruded gunnels, cast aluminum corner carrying handles for greater rigidity, built-in drain plug, oar lock sockets, built-in splash rails and loops for building duck blinds or attaching fish stringers. Comes standard in natural satin finish . . . camouflage finish optional.

OPTIONAL EQUIPMENT: Aluminum oars . . . built-in bait well and live box under seat.

14-FOOT JOHN BOAT (CAMOUFLAGE FINISH)

12-FOOT JOHN BOAT

14 FOOT JOHN BOAT (CAMOUFLAGE FINISH)

*Goes Where the Water is Big
and the Fish are King Size*

King Fisherman

Gives you all you want in a boat—and more. Big room-size 68 sq. ft. cockpit has storage space galore. It's packed with brute strength and utility. The rangy King Fisherman is the ideal all around he-man boat for fishing, camping, skiing and cruising.

FEATURES: 68 square feet of cockpit...Rod holders...Rod racks...Starboard control console with contoured windshield...Four bucket seats (two swivel)...Mechanical steering...Built-in 12 gallon fuel tank...Two tone expanded vinyl upholstery...Durable vinyl floor...Built-in ice chest...Polished aluminum trim with vinyl insert...Polished aluminum castings...Running lights, wired and fused...Flotation, foam...Cleats and chocks...Ski tow eyes...Bow eye...Anodized aluminum pulpit and stern rails...Color: Turquoise and white...Center length: 18'1".

ADDITIONAL FEATURES ON INBOARD/OUTBOARD MODEL: Bilge blower...Speedometer...Hour meter...Bilge pump...complete instrument panel...Battery.

OPTIONAL EQUIPMENT: Extra 12 gallon fuel tank...Sun top...Mooring cover...Complete camper top.

KING FISHERMAN INBOARD/OUTBOARD

KING FISHERMAN OUTBOARD

MODEL AZ...14-FOOTER

MODEL EZ...12-FOOTER

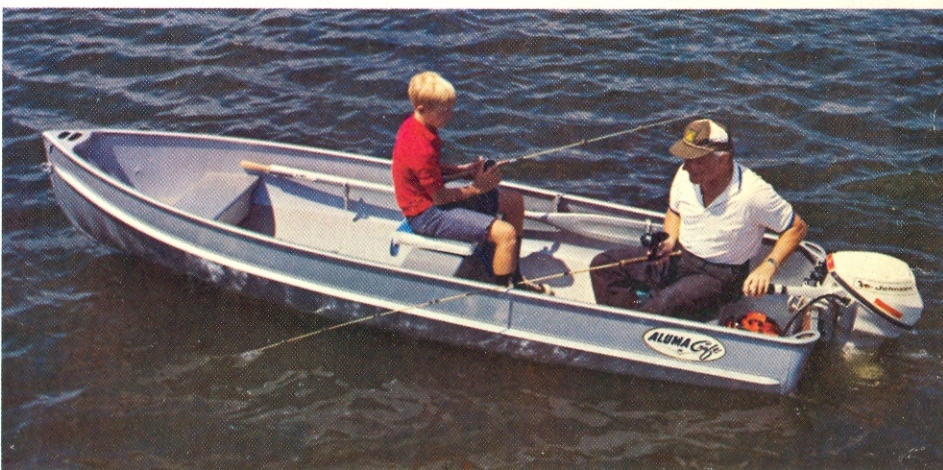

MODEL A...14-FOOTER

Model A and E Two great all-around fishing craft—identical except for length. Your choice of a 12 or 14 footer. Built for rugged use, carefree maintenance and handling ease—makes them an all-around favorite for rowing or motors up to 12 HP. Thousands used by resorts where strong construction and economy are important.

FEATURES: Aluminum seats...Flotation, foam...2 pair oarlock sockets on model A, 1 pair on model E...Transom drain plug...Natural satin finish...Bow-eye.

OPTIONAL EQUIPMENT: Aluminum oars...Anchor cradle.

MODEL E...12-FOOTER

Model F7 Year after year the F7 proves the best boating value in the world and the most popular. Designed to take the choppiest waters of rivers and lakes, she's rugged, nimble and light! Deep hull design for dry ride on big water.

FEATURES: Two pair oarlock sockets...Transom drain plug...Natural satin finish...Bow-eye...Flotation, foam.
OPTIONAL EQUIPMENT: Forward deck...Side-steering deck...Steering...Aluminum oars...Anchor cradle.

Model R7 This family size 12-footer performs with many larger boats. Wide beam, roomy interior—yet light, rugged and stable and exceptionally fast, even with smaller motors. Carrying handles, famous Aluma Craft "round gunnel," bow casting and transom knee castings.

FEATURES: Oarlock sockets...Drain plug...Natural satin finish...Bow-eye...Flotation, foam.
OPTIONAL EQUIPMENT: Forward deck...Side-steering deck...Windshield and steering...Aluminum oars...Anchor cradle.

Model AZ Perfect for the sportsman who wants an economical boat. Plenty of leg and tackle room. Planes along fast and smooth with motors up to 7.5 HP. Heat treated for extra strength and durability.

FEATURES: Oarlock sockets...Transom drain plug...Bow-eye...Natural satin finish...Four seats...Flotation, foam.
OPTIONAL EQUIPMENT: Aluminum oars...Anchor cradle.

Model EZ The sister of the AZ—only difference is in size. It's an honest 12 feet long... heat treated for extra strength and all the famous Aluma Craft construction quality. Full 49 inch beam, yet only 96 lbs. light. In optional camouflage finish it doubles as an excellent hunting boat. Ideal for trailering or cartopping for fishing or hunting.

FEATURES: Oarlock sockets...Transom drain plug...Bow-eye...Natural satin finish...Three seats...Flotation, foam.
OPTIONAL EQUIPMENT: Aluminum oars...Anchor cradle...Camouflage finish.

MODEL F7...14-FOOTER

MODEL R7...12-FOOTER

MODEL K...16-FOOTER

YUKON...16-FOOTER

MODEL FD...14-FOOTER

America's Finest Fishing Boats

Model K

Extra roominess and big water safety make her the favorite of professional guides and serious big water fishermen. Yet easy maneuverability gives it all the versatility of smaller craft. Ideal for either single or twin motor installation. Smooth stretch-formed hull gives a dry, comfortable ride.

FEATURES: 2 pairs oarlock sockets...Transom drain plug...Natural satin finish...Bow-eye...Flotation, foam.

OPTIONAL EQUIPMENT: Forward deck...Side-steering deck...Steering...Aluminum oars...Anchor cradle.

Yukon

An all-purpose runabout for big water fishing, family and ski use. Big, strong but light hull gets on the plane fast, and handles motors to 50 HP in single or twin installations. Speeds you to your favorite fishing grounds in comfort and safety. Room to spare for tackle and fishing gear. High freeboard makes this beamy sportsman's boat a favorite.

FEATURES: Oarlock sockets...Self-draining Aqueduct® transom...Transom drain plug...Natural satin finish...Bow-eye...Flotation, foam.

OPTIONAL EQUIPMENT: Forward deck...Steering...Aluminum oars...Windshield...Convertible Vinyl top.

Model FD

Similar to the F7, but huskier throughout. The FD is a long time favorite of resort owners and serious fishermen. Also ideal for skin diving, water skiing, and all-around water fun. Rated for motors to 40 HP, it delivers speed and safety second to none.

FEATURES: 2 pairs oarlock sockets...Self-draining Aqueduct® transom...Transom drain plug...Natural satin finish...Bow-eye...Flotation, foam.

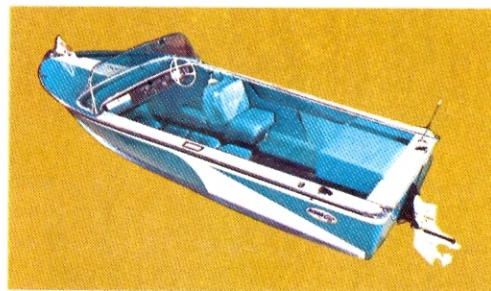

OPTIONAL EQUIPMENT: Forward deck...Side-steering deck...Steering...Aluminum oars...Anchor cradle.

Every Inch a Queen, and She Looks It
Queen Merrie
 DELUXE

This beauty is worthy in every quality detail to carry on the famous Aluma Craft "Queen Merrie" name. She rides smooth and dry. Time proved in years of actual service. Meticulous attention to finished details is evident both inside and out. The handsome interior decor and eye-appealing lines make Queen Merrie owners a proud lot from coast to coast.

FEATURES: Wrap around safety glass windshield with full center vent...Mechanical steering...Built-in 12 gallon fuel tank...Two 3-position lounge seats...Convenience rail...Two tone expanded vinyl upholstery...Durable vinyl floor...Side storage...Locking glove compartment...Lights, wired and fused...Cleats and chocks...Flotation, foam...Ski tow eyes...Bow eye...

ADDITIONAL FEATURES ON INBOARD/OUTBOARD MODEL: Bilge blower, battery, speedometer, hour meter and bilge pump...complete instrument panel...Color: Turquoise and white...Center length: 18'1".

OPTIONAL EQUIPMENT: Handrails...Complete top in easy running slide track...Windshield wiper...Extra 12 gallon fuel tank...Fire extinguisher...Aft seats and beverage console on Outboard model only.

Big, Beautiful and Deluxe
Cordella
 INBOARD/OUTBOARD 1750

Comfort and speed, with fetching looks to spare...wrap them up in a spacious hull and you have the Cordella. This far-ranging sportster combines the verve and zing of the runabout with the plush, deluxe features available usually only in larger boats. Here's a boat that is your invitation to enjoy the good life—an afternoon run around the lake, skiing, fishing, cruising or camping. The Cordella will take you where excitement beckons.

FEATURES: Two 3-position lounge seats...Heavy duty windshield with vent...Mechanical steering...Built-in 18 gallon fuel tank...Instrument panel...speedometer...fuel gauge and sender...Two tone expanded vinyl upholstery...Durable vinyl floor...Side storage...Battery...Running lights, wired and fused...Flotation, foam...Cleats and chocks...Ski tow eyes...Bow eye...Polished aluminum trim with vinyl insert...Polished aluminum castings. Color: Antique bronze with white...Center length: 16'.
OPTIONAL EQUIPMENT: Bow rails...complete top in easy running slide track, folds aft...Bilge pump...bilge blower...hour meter.

*Whisper-powered for
Fun and Relaxation*

S-12 'Class' Sailboat

MODEL A WITH SAILING RIG

CO-17 WITH SAILING RIG

S-12 "CLASS" SAILBOAT

S-12 "CLASS" SAILBOATS

The sprightly S-12 "Class" opens new vistas of boating pleasure. The S-12 rides the breeze with the best of them, yet frees the sailor from all maintenance worries. Exhilarating and challenging "class" racing boat for the serious sailor, yet the non-sinkable S-12 is ideal for teaching sailing. Quality is why

Is America's best value in
Aluminum and Fiberglass Boats

Quality is the Key to Boat Value...

Experienced craftsman and boat designers at Aluma Craft/Alpex believe that the only right way is the quality way. For nearly a quarter of a century, uncompromising quality has been the cornerstone of the nation-wide reputation of Aluma Craft/Alpex for the finest in boats. Precision manufacturing techniques and painstaking control of quality during production are your assurance of a beautiful boat made to last and deliver the best in boating satisfaction year after year. Meticulous attention to detail, sleek jet-age styling and hydrodynamically stable hull for perfect water control are the mark of Aluma Craft/Alpex boats. They plane fast, hug the water in turns and give a soft, safe high-speed ride.
